Product Specifications

Automatic Premium Loan and Nonforfeiture Options	<p>In the event a premium is not paid, the Automatic Premium Loan Option (APL) may be elected in the application to pay the premium due.</p> <p>The non-forfeiture options available are:</p> <ul style="list-style-type: none"> – Reduced Paid-up (RPU) subject to minimum residual face amount of \$1,000 – Cash Surrender <p>If the APL option is not chosen then the default is RPU, unless the cash surrender amount would purchase less than \$1,000 of face amount. In that situation, Foresters may surrender the certificate and payout the cash surrender value. If the owner elects APL Foresters will switch the payment mode to monthly (if the certificate is on another mode) should the certificate go onto APL.</p>
Cash Values	<p>Cash values are guaranteed and are based on the insured's age nearest birthday, are sex distinct and use the smoker distinct ultimate mortality table for the insured's rating class.</p>
Dividends	<p>Dividends are not guaranteed and may vary by sex at birth, band, non-tobacco or tobacco, and preferred/standard underwriting classes. Past dividends are not an indicator of future dividend performance.</p> <p>Available dividend options are:</p> <ul style="list-style-type: none"> – Paid-up Additions (PUA) – On deposit with interest – To reduce premiums – Paid in cash <p>The default dividend option is Paid-up Additions (PUA).</p>
Surrenders	<p>The certificate may be partially or fully surrendered for its cash surrender value at any time. A certificate can be fully surrendered for its guaranteed cash value, plus the value of any Paid-up Additions (PUA) or accumulated dividends on deposit, less any outstanding debt.</p> <p>A certificate can also be partially surrendered by surrendering Paid-up Additions (PUA). The death benefit supported by the PUA will be reduced accordingly. Each partial surrender must be for at least \$500.00.</p>
Illustrations	<p>Foresters Live Well Plus is an illustrated product. At Point-of-Sale (POS), the producer must provide the prospective owner with an illustration matching the product as applied for in the application. A copy of this illustration must be signed by the producer and the prospective owner and submitted with the application to Foresters.</p>
Loans	<p>The Owner can take a loan out against the cash surrender value of the certificate, provided:</p> <ul style="list-style-type: none"> – The certificate must be in effect and have a positive cash surrender value at the time of the loan. – The loan amount requested will be adjusted if there is insufficient cash surrender value. – The loan amount at any time is the balance of the unpaid amount(s) borrowed plus accrued interest. <p>Loan Interest Interest is charged daily. The loan interest rate is determined at least once a year, but never more often than once in a three-month period. The loan interest rate will not exceed the maximum loan interest rate of 8.0%.</p> <p>Loan Repayment All or part of a certificate loan may be repaid at any time while the certificate is in effect. Repayments will reduce the loan amount.</p> <p>The death benefit payable is reduced by the outstanding loan amount (and accrued interest). If the loan amount exceeds the cash value plus (if any) the present value of the PUAs and the amount of dividends on deposit (if any), the certificate will terminate. In this case, notification will be sent to the Owner. If the certificate terminates/lapses while there is a loan, the loan will be treated as a distribution from the certificate, and there may be tax consequences as a result.</p>

Product Specifications

Charity Benefit Provision	<p>The Charity Benefit provision is a contractual provision that is automatically included at no additional premium. When a claim is paid to the beneficiaries, Foresters will pay (up to a maximum of \$100,000) an additional 1% of the face amount to an accredited nonprofit organization as designated by the owner.</p> <p>The designated charitable organization must be an accredited 501(c)(3) organization under the Internal Revenue Code and eligible to receive charitable contributions as defined in section 170(c) of that Code. The payment is made as a donation in the name of the insured. The payment is over and above the face amount; there is no decrease in the payment to the beneficiary(ies).</p> <p>The owner may designate the charity at the time of application, but can also add or change the designation while the coverage is in-force. However if no beneficiary is designated, then the benefit will not be paid. The donation is generally tax-free.</p>
Lapse and Grace Period	<p>A certificate will be pending lapse and enter a 31-day grace period if there is a non-payment of premium when the premium is due.</p> <p>The grace period allows additional time for the payment of sufficient premium to keep the insurance contract in-force. If a sufficient amount is not paid within that grace period, the insurance contract will lapse. A notification will be sent to the owner and any assignee at least 31 days prior to lapse.</p>
Reinstatement	<p>Foresters may approve the reinstatement of a lapsed certificate within three years of its lapse subject to:</p> <ul style="list-style-type: none"> – Evidence of insurability accepted by Foresters – Payment of the unpaid premiums since lapse, plus any debt existing on the lapse date, plus applicable interest <p>Interest on the unpaid premiums will not exceed 6.0%. Interest on a loan will not exceed the contractual maximum loan rate. Reinstatement is not allowed if certificate terminated due to debt exceeding equity.</p>

Accelerated Death Benefit Rider

Available On	Life insured		
Description	This rider, automatically included with eligible certificates with no additional premium, provides the owner an option of accelerating a portion of the eligible death benefit and receiving an accelerated death benefit payment due to diagnosis of an eligible illness.		
Eligible Illness	Subject to eligibility criteria and state variations, this rider can be issued with one or more of the following eligible illnesses: – Chronic illness – Critical illness – Terminal illness		
Summary Definition of Illnesses	Chronic Illness means the insured: Is unable to perform, without substantial assistance from another person, at least two of the activities of daily living for a period of at least 90 days, due to a loss of functional capacity; or Requires substantial supervision by another person to protect the insured from threats to health and safety due to the insured's severe cognitive impairment.	Critical Illness is the following illnesses: – Life Threatening (Invasive) Cancer – Myocardial Infarction – Stroke – Advanced Alzheimer's Disease (before the insured's 75 th birthday) – End Stage Renal Failure – Major Organ Failure – ALS (as further described in the rider)	Terminal illness means the insured: Has a non-correctable illness or physical condition which is reasonably expected to result in death within 12 months of diagnosis.
Eligibility Criteria	Chronic and Critical Illnesses – Issue face amount must be at least \$25,000; – Insured's issue age is 60 or younger; and – Standard or better underwriting classes		Terminal Illness – Issue face amount must be at least \$25,000; – All ages; and – All underwriting classes, including substandard
Minimum Acceleration Amount	\$4,500		
Maximum Acceleration Amount	Chronic Illness In any 12-month period, 24% of the eligible death benefit on the effective date of the first accelerated payment due to chronic illness.	Critical Illness Lesser of: a) 95% of the eligible death benefit on the effective date of the applicable accelerated payment due to each critical illness; and b) \$500,000	Terminal illness Lesser of: a) 95% of the eligible death benefit on the effective date of the accelerated payment due to terminal illness; and b) \$500,000 One terminal illness payment is allowed – the rider will terminate after an ABR terminal illness payment.
Lifetime Maximum Acceleration Amount	Lesser of: a) 95% of the eligible death benefit at the time of the first acceleration; and b) \$500,000		
Minimum Residual Base Face Amount	\$10,000		
Payment Amount	The payment, due to diagnosis of eligible critical illness and chronic illness, will be less than the acceleration amount which will be reduced by the following: – Actuarial discount amount – Administration fee (current fee is \$300) The actuarial discount amount and administration fee will not be applied to a terminal illness claim.		
Actuarial Discount Amount	It is determined by Foresters: – Based on factors specific to the insured, such as age, sex at birth and premium class; – Based on future mortality of the insured using the mortality table determined by Foresters; – The accelerated death benefit interest rate Foresters applies; – Will take into account the present value of the acceleration amount and dividends in relation to that acceleration amount.		

Accelerated Death Benefit Rider (continued)

Effect of Acceleration	ABR claim payment will reduce the face amount and, if any, the paid-up additional insurance, cash value and loan amount. The reduction to the face amount could be by more than the payment amount. The payment may be less than the acceleration amount which may be subject to a fee, an actuarial discount amount and other applicable deductions. After acceleration, future dividends credited, if any, will be as if the certificate had been issued at the reduced face amount. Any outstanding certificate loan will be reduced by the loan repayment amount that was subtracted from the acceleration amount.
